### NLS Cartels' Newsletter : 4 + one – issue 4

*The NLS cartels' Newsletter*  
*La Newsletter des cartels de la NLS*

4+one

Dear colleagues and other interested parties,

The fourth issue of the NLS Newsletter, « 4+one », previously circulated through NLS-Messenger, is available for you to view [here](#).

Thank you to the authors of this issue (Sebastian Godlewski, Helen Koumidi, Gerhard Reichsthaler, Markus Zöchmeister) and to the members of the Reading Committee (Ruzanna Hakobyan, Michèle Harroch, Carole Niquet, Glenn Strubbe).

**For those who wish to write for the Cartels' Newsletter:** Papers written by cartel participants can be sent to <[frollier@wanadoo.fr](mailto:frollier@wanadoo.fr)>, who will submit them to the Reading Committee. They should be short (up to 3,500 characters maximum) and punchy, written either in English or in French.

Also a reminder to plus-ones: **please register new cartels**, as well as those continuing for a second year, preferably before the end of December 2017. You can do this on the NLS website, by filling in the **cartel declaration form** ([click here](#)).

The title of the **2018 NLS Congress** has just been announced. It is: « **In a State of Transference: Wild, Political, Psychoanalytic** ». The argument will be released shortly.

This now allows us to form new cartels under the rubric: « **Towards the Congress** ».

In the meantime, why not take the opportunity to check the [Cartels](#) page on the NLS website.

Best wishes,

Frank Rollier,

NLS Cartels delegate
